Was it Jonathon Davidson? Shaun McGrath forwarded an email from him to me last night and I responded. I'll forward that to you.

Shaun's email is mcgrath.shaun@epa.gov

I will also be available all weekend to help with any questions you have or additional information you need.

I am. Our COS sent email to Sean McGrath. We got no response. Can you verify his email for me?

Hi John,

I know you just spoke with Libby Faulk, our Public Affairs representative in Durango. I just want to make sure you're receiving the email updates I have been sending.

I have been, and will continue to, send information as soon as I receive it.

Please let me know if there is anything else I can do. I am in the office today and otherwise available on my cell phone.
